

Created and constructed in 1983, and recently remodeled at a cost of over \$750,000.00, the Columbus Square Bowling Palace has been one of our finest accomplishments. Referred to as "The Country Club of Bowling Centers," the 64-lane facility is located in the company-owned and managed Columbus Square Shopping Center at Cleveland Avenue and Route 161, and is the only bowling center in Ohio open 24 hours every day. Patrons are provided with luxuries such as Brunswick's FRAMEWORX automatic scoring system, M.A.X. bowling with large screen HD TVs, a restaurant, video arcade and the newly renovated [Blue Sky Island Bar](#). The Palace has gained a reputation as one of the most outstanding Bowling Centers in the United States, and has received the prestigious Consumers' Choice Award for seven straight years.
